

STUDENT RESOURCE SCHEME

Boonah State School Student Resource Scheme ensures that students have the resources required for them to engage with the curriculum for their education, and saves parents time and money in sourcing the prescribed materials elsewhere. Savings are gained through the school's bulk purchasing practices and subscription arrangements.

PREP LEVY

This Levy is separate from the Student Resource Scheme that is organised for Years 1-6. Most resources and stationery are supplied for Prep students making it more resource intensive than other year levels.

Please speak with office staff if you wish to pay for this levy by instalments.

Prep has elements of a play-based curriculum and we place a high value on children being able to access a variety of different materials on a daily basis for-

- Collage constructions
- Art and craft activities
- Cooking experiences

Your child's levy money is spent directly on these items in our classroom.

Crayons, pencils, craft materials, glue etc. will be bulk purchased for all children to use. The school purchases the paper and software so there is consistent quality for our printers, photocopier and computers.

The scheme is not used to raise funds for other purposes, and revenue collected through the scheme is applied only to the resources and operation of the scheme. Parents/ Guardians that choose not to participate in the scheme must provide their students with all items that otherwise would be provided by the scheme.

Further information about the Student Resource Scheme has been provided in the Participation Agreement Form, which needs to be completed and returned to the school by **7th February 2022**.

The cost for the scheme is **\$100 per Prep Student** for the year. Payment is not due until 2022.
