STUDENT RESOURCE SCHEME

Boonah State School Student Resource Scheme ensures that students have the resources required for them to engage with the curriculum for their education, and saves parents time and money in sourcing the prescribed materials elsewhere. Savings are gained through the school's bulk purchasing practices and subscription arrangements. The scheme is not used to raise funds for other purposes, and revenue collected through the scheme is applied only to the resources and operation of the scheme. Parents/ Guardian's that choose not to participate in the scheme must provide their students with all items that otherwise would be provided by the scheme.

Further information about the Student Resource Scheme has been provided in the ***Participation Agreement Form***, which needs to be completed and returned to the school by **5th February 2021**.

The cost for the scheme is ***\$80/child or \$160/family*** for the year. Payment is not expected until 2021.
