PREP LEVY

\$80 for the year This Levy is separate from the Student Resource Scheme that is organised for Years 1-6. Most resources and stationery are supplied for Prep students making it more resource intensive than other year levels.

Prep Students are only required to pay the Prep Levy. Please speak with office staff if you wish to pay for this levy by instalments.

Prep has elements of a play based curriculum and we place a high value on children being able to access a variety of different materials on a daily basis for-

- Collage constructions
- Art and craft activities
- Cooking experiences

Your child's levy money is spent directly on these items in our classroom.

Crayons, pencils, craft materials, glue etc. will be bulk purchased for all children to use. The school purchases the paper and software so there is consistent quality for our printers, photocopier and computers.

Cost Breakdown to the school is as follows-

- Glue, sticky tape for the year (\$25.00)
- Crayons, pencils, paint for the year (\$25.00)
- Photocopying paper, colour printing, software licensing (\$25.00)
- Art and Craft supplies, Cooking, Play-dough, detergent (\$25.00)
